Underwriters®**
Lloyd's Coverholder

Atlas Professional is the obvious choice for corporate executives and other professionals who require travel medical insurance coverage for numerous trips during the year. When you buy Atlas Professional, coverage is automatically in place for those last minute international trips. State of the art travel and emergency medical assistance services are part of every Atlas Professional policy. All of this with the same astonishing service you have come to expect from MultiNational Underwriters®, the leader in international travel medical insurance.

Why Buy Travel Insurance?

The answer is simple. International travel involves risk. You may arrive at your destination only to find that your luggage with valuable personal items has disappeared, a personal emergency may necessitate your early return to your Home Country, or a medical emergency may necessitate hospitalization or even air evacuation. In most cases, your existing insurance will not provide adequate protection to you for these and other risks involved with international travel. Without appropriate travel insurance, you can be exposed to significant financial liability. MultiNational Underwriters® can't take the risk out of international travel, but if the unforeseen happens, we will be there to help you.

Am I Eligible for Atlas Professional?

If you are under age 66 and you maintain medical insurance that covers you while you are in your Home Country, you are eligible for Atlas Professional. Your Spouse under age 66 and dependent children who are at least 14 days up through age 18 may also be covered, provided they too maintain medical insurance that covers them while they are in their Home Country. The Overall Maximum Limit is \$1,000,000 per person.

When Does Annual Coverage Become Effective and When Does it End?

The Effective Date is the later of: the date we receive your Application and correct premium or the date you request on your Application. The Certificate Period is 12 months. During the Certificate Period, you are covered for all trips of 30 days duration or less outside your Home Country. Coverage is effective the moment you depart your Home Country and ends the moment you return to your Home Country. If you purchase coverage for your Spouse and/or Dependents (under age 19), they are covered during the same time period as you as long as they accompany you on your trip.

Pre-Trip Health and Safety Advisories

Call us for current passport, visa, inoculation and vaccine requirements as well as for up-to-date travel safety advisories.

Does Atlas Professional Provide any Home Country Coverage?

Your Benefit Period begins on the first date you receive a diagnosis or treatment of a covered Illness or Injury while outside your Home Country and lasts for 180 days.

What is Covered?
